son Mr. R. K. Azad. In the USA he is also helping many literary and religious societies. He, with Giani Jang Singh Jee established a Punjabi Sahit .....trust in the year 2008, which is working very well with the help of Dr. Gurmeet Sidhu, a Chief Editor of the Trust. He was honored with Shiromani Kavi in the year of

1999 by the Punjabi Sahit Sabha, Bay Area and Milpitas of California. He started writing poetry at the age of eleven and still writing at 75. Instead of going for higher

education in technology, Shri Azad Ji opted art, culture and literature which he is using mostly for community services. He is a very good counselor if anybody talks to him about the adverse circumstances in his/her life. On 13th December, 1997 he wrote a very good English poem on Christmas Eve and New Year and sent to Mr. Bill Clinton at that time, President of the USA. After three weeks on January 8th, 1998, Mr. Bill Clinton sent a wonderful letter to Shri Azad Jullundhary from White House which I am reproducing here. Janab Shri Azad Jullundhary Sahib is an idol of many young students. Miss Hena Kaur Rai, grand daughter of Late Sardar Ratan Singh Jee Rai, (who was a best friend of Azad Ji) has written a beautiful essay regarding Janab Azad Ji and sent along with application form for further studies. I

am also reproducing that essay here. It is not possible to say or describe the literary and community services .....by Shri Azad Jullundhary in a few pages. There is a long history of 70 years of community services behind. He is writing his autobiography, a book of at least 500 pages, which will be available to the readers in the year 2009. So, it was a pleasure meeting with Mr. Azad Jullundhary at his residence. I have learned a lot from him and glad to have a well known and knowledgeable personality on this planet not only in one community but he is proud of all communities. I prey to the Almighty for long life of Janab Shri Azad Jullundhary Ji, so that he may continue writing and serving the community in future also.
